Our full menu is available both indoor and out, however, at present we will be operating a slightly different service should you be seated inside or in our garden.

Inside - table service –

Your order will be taken and delivered to your table, please do remain seated at your table at all times (except when visiting the bathrooms) it is not possible to swap between tables.

Outside - takeaway service –

Place orders at the bar for both food and drinks. Food will be served in disposable biodegradable food containers and delivered to your table.

Please collect all cutlery (disposable) and condiments at the bar before seating.
